COMMUNICATION NETWORK MODELING ENVIRONMENT**

# TRAINING LOCATION

**Sir Frederick Mappin Building : Mappin St, Sheffield City Centre,  
Sheffield S1 3JD, United Kingdom**

Room C108 is located within the Sir Frederick Mappin Building at the University of Sheffield. This historic building is situated on Mappin Street and is a central hub for the Faculty of Engineering.

To reach the Sir Frederick Mappin Building from the Students' Union:

1. Exit the Students' Union: Head west towards Western Bank.
2. Turn left onto Western Bank: Continue straight for approximately 200 meters.
3. Turn right onto Mappin Street: Proceed down Mappin Street; the Sir Frederick Mappin Building will be on your right.

Once inside the Sir Frederick Mappin Building:

**Navigating to Room C108: The building's layout includes multiple floors labeled from A (lower levels) to G (upper levels). Room C108 is on floor C. Upon entering through the main entrance on floor D, take the stairs or elevator down one level to floor C. Directional signs are posted throughout the building to assist with room locations.**
